

# The First Preventive Skin Health & Wellness Benefit

## Our Mission

We believe **prevention** is better than a cure.

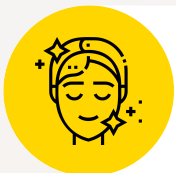

We are dedicated to saving lives & changing the way you look & feel in your own skin by offering access to unbiased education & an accredited skin health network, at an affordable cost.

## Personalized Prevention

### Skin Cancer

Preventative skin screenings.

### Anti-Aging

Treat Fine Lines, Sun Damage, Melasma, Rosacea, Acne & Acne Scarring.

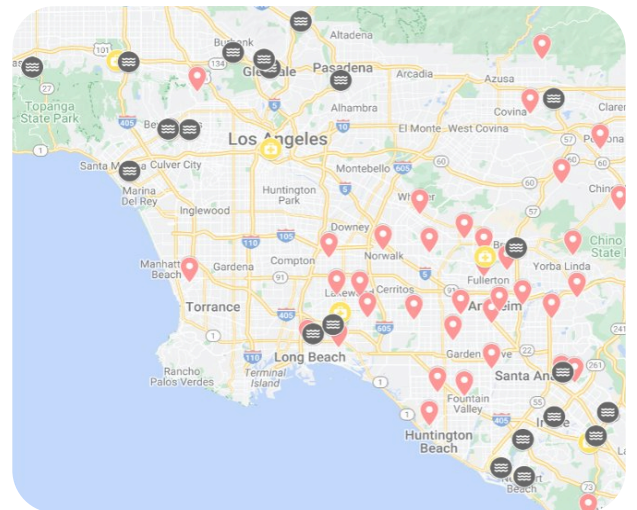

### Other Skin Conditions

Unlock proven solutions for other conditions such as hair loss.

## Trusted Providers

We vet & qualify only the highest-accredited providers in your employees home or office area.

## Together We Save Lives

We proudly contribute 2% of annual sales to the American Cancer Society
